Oh Mom where do I begin... It's only been 24 hrs and I am missing you so bad right now that my hearts aches with emptiness. I know you are in a much better place and looking down and saying to me "Cheryl lift you head and wipe away your tears, I am happier now and you should be happy too". I am Happy for you I know you are at peace and there is NO more pain. I will always carry you with me every step I take until we see each other again. You gave me life and was there for me. You taught me to be a better person and showed me how to love when I thought I couldn't. Thank you for loving me like you always have. I miss you Mom and I love you with every ounce of my heart. Kiss daddy for me... Until then ... Watch over me help me to have the strength to go on.... Love you daughter Cheryl##imported-begin##Cheryl Young##imported-end##
