“ I cherish the memories I have of spending time with Uncle Dee, Aunt Jean, and the family when they came to Mama's in WV. We didn't get to spend much time together because of living in separate states but it was precious time when it happened. I remember Uncle Dee showing Mom an easier way to cut corn off of the cob. Mom said, "Since you're so good at it, you can finish the job." Then, everyone laughed. Also, I remember my husband and I going to one Poore reunion at Uncle Dee and Aunt Jean's house. There was everything good to eat but Uncle Dee said, "I'm going to make some pasta." Aunt Jean said, "We don't need any pasta, Dee." He made the pasta anyway and it was good. I'm saddened to hear of his death but so glad he isn't suffering any more. Sending love, prayers and sympathy to Perry Todd, Gregory, and Kelley.

“ Doumis, I know we never met. I heard so much about you from your little sister MaryAnn, and her daughter Laurie over the past seven years. May God bless your family and loved ones in their time of loss.

“ Wow what a man!! Had many great times with him and my Dad, I remember the time when me and Daddy Uncle Dumas, Perry Todd and Greg and of course Mitchell, Derick and (Ski) Scott were at the horse pasture Trout fishing all we brought was a big cast iron skillet and some potatoes and cooking oil!!!, Mitchell Dad, and Uncle Dumas were the only ones who caught any fish , Uncle Dumas cooked everything and it was delicious , I still remember me and Greg became Chow buddies, I remember he had a dog named Chainsaw , I always loved when they came up from Tampa for visits before they actually moved here to stay!! I'll never forget the fun we had as a family when we all got together before family members started passing away!!, brings tears to my eyes when I think about how much we loved each other, and now the only time we see each other is at funerals , I'm glad I got the opportunity to spend time with this family!!! It's the BEST FAMILY THE FAMILY OF GOD!! That's the way Grandmother Raised us to be, Perry Todd, Greg, Kelley And Of Course lovely Morgan, I pray peace for all of you!! Let's get together soon
