“ Sam was a huge role model for me and will continue to be so. I've admired him my whole life and will miss him dearly. He was a great human being who never backed down from what he thought and knew to be true. He was kind and could take over a room. I will miss him forever. To Deb, Dave and Katie, I wish we could be there with you and will get down there as soon as we can. I can't imagine what you are going through and am thinking of you all always.
