“ I met Tammy when she worked for Harry. I would go help her at the store and if she was alone I would make sure she got closed and in her car safely. She's was the true definition of a good friend. Rest in peach my sweet friend. I love you!

“ Tammy was a special person to me she was more than my sister in law she was a sister. It saddens my heart to know she is gone but also fills my heart with joy to know that is in the hands of the Devine healer with no more sickness or pain.

“ Hey my sweet ma. I'm so glad you are in heaven walking the streets of gold with grandma and pain free. You fought hard and was so strong. I'm so glad I got to hold your hand and be with you during your last moment. I am so blessed to have you as my mom. Keep a watch over us down here and know I'm taking care of our family. I love you unconditionally and can't wait to see you again one day. Love, your boot

“ Am. You were my world. I feel so blessed I got to spend your last hours with you holding your hand and letting know how much you are loved. You are a peace now and I couldn't be more grateful that you went so peacefully. I'm taking care of your family for you and your dancing in the sky with your daddy and grandma. I am so blessed that you were my mother. You were amazing and had such a beautiful soul. I always got you. Keep a watch over us down here. I love you to the moon and back. Rest easy ma!
