“ Uncle Vernon was my mother’s (Frances Garrett Roper) last remaining sibling. I fondly recall countless visits to their home on their Airstream sales lot in Travelers Rest. He and Myra were so gracious to invite me to visit them and hang out with my cousins Beverly and Susan. We played for hours on end, often sneaking into some of the Airstreams as if they were our own personal “playhouses!”

He loved family and often made the trip to Catechee with his family to gather with my grandparents “on the farm” along with so many other aunts and uncles and cousins. We “Garrett Cousins” had the run of the farm, milking cows and collecting fresh eggs while getting into much mischief!

He lived a good long life and will be greatly missed but fondly remembered. Beverly and Susan, you were such amazing women who provided the best of tireless love and care for both your parents. Please know how very sorry I am for your loss. Love Elaine

“ The last family dinner we had, we were talking about all the fun family memories from South Carolina. I won't be able to tell the story as well, but Steve talked about coming over to visit Uncle Vernon as a small boy. Vernon would say, "Steve lookie here...do you like this pocket knife?" Steve definitely did. "Well, you can have it, but you need to give me something for it. What do you have?" Steve looked around to find something he could possibly trade ...and came up with an old penny. Uncle Vernon gladly took the penny and handed over the new treasure. A sweet exchange and an important lesson in life given as well. He was a good man and we will miss him dearly. Sending love and hugs to Beverly, Susan, and all the rest. xo

“ Mr. Garrett was a wonderful neighbor. He always had a kind word and was generous with his friendly advice. Both he and Mrs. Garrett loved their yard and especially enjoyed this time of year. And they were both so kind to my wife Martha when she was fighting cancer. I have missed him since he moved and the house was sold. You will be happy to know that the couple who bought the house love working in the yard! May God bless.

“ Nancy and I were blessed to be their next door neighbor for 50 years. Myra and Vernon were family and supportive friends - always available, house watchers and mail gatherers. Their puppies (Rough and Ready) greeters and ice cream eaters!

“ Beverly, Susan and Bill: Heartfelt sympathy to your family during the loss of your dear father, Vernon. I will always remember his interesting conversations about family and friends. The last time I visited with him was December 2018, at the nursing home, visiting my mother. It's hard to believe that most of the Cook-Garrett cousins are no longer with us. They are all missed.
