“ Hi Gina, I was so sorry to hear of your father's passing. This quote by author Leo Buscaglia says it better than I ever could... "I know for certain that we never lose the people we love, even to death.They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories.We find comfort in knowing that our lives have been enriched by having shared their love."##imported-begin##Nancy Heffernan##imported-end##
