“ Dear Family, I grieve with you in the passing of my friend Earl. He had a kind nature and I liked him the first time I met him. He showed such kindness and compassion to my Mom, that I loved him for the big heart he had and the love he gave so effortlessly. I was blessed to have met him. He came into Mom's room Wednesday morning as I was feeding her and we talked and he was, as always, optimistic about the future even though it was obvious that he was not getting better. Thank you for sharing your "sweet Earl" with me.
