

Alice Odom Bailey

October 9, 1944 - February 19, 2023

Alice Odom Bailey passed away on February 19, 2023 after a short unexpected illness. Alice lived 78 wonderful years in which she overcame many obstacles, raised a family, worked long hours, and owned a business all while being an amazing inspiration, supporter, and caregiver to her family and so many others that she loved. She profoundly impacted the lives of many. Alice had many talents including gardener, seamstress, business owner, chef, tennis player, facebooker, venmoer, handywoman, and anything else that she set her mind to accomplish. In her later years, she lived a life of adventure and traveled the world with the love of her life who she went to join early Sunday morning.

Alice was and will remain the glue that holds her family together, who she loved more than anything in the world. She was blessed with two devoted children, Angie and James, a daughter-in-law Christi, son-in-law Tim, and four grandchildren: Madison, Justin, Alice Kathryn, and Jacob. Her family finds it difficult to imagine gatherings and trips without her, as she truly was the life of the party.

Alice faced each of life's challenges with grace and resiliency no matter how difficult, and she never let bad days outshine her great fortune of being on this earth. Even in her final days of suffering, she lit up the room with her wit and humor. Her beautiful soul will continue to be felt by those who knew her.

In lieu of flowers please make donations to Let There be Mom or the charity of your choice in Alice's name. A private service will be held by the family.
