“ Alison, my friend, I'm so sad you're gone. You were all of the best adjectives rolled into one beautiful person.  
In your memory, I remind you of these lyrics from the Sinead O'Connor song we both loved, *I Am Stretched On Your Grave*:  
*I still would be your shelter  
Through rain and through storm  
And with you in your cold grave  
I cannot sleep warm*

“ Allison was my suite mate our freshman year at Furman University. She was a beautiful intelligent and introspective friend. After freshman year, I didn't see Allison again and moved on with life. Until today, I had not thought of Allison but felt moved to Google her today 11/7/22. Sorry to hear of her passing in Sept. but happy to know she lived a loving life with her husband and children.  
Blessings and peace, K.E.
