“ My favorite story about Alvin was when my husband Troy and I were down visiting and DaddyPa told Troy Alvin needed new shoes, so Troy said we would go get him new shoes. Troy checked Alvin,s shoe size and off we went. When Troy showed Alvin the new shoes he said he liked them, so Troy proceeded to try the shoes on Alvin, BUT, they would not go on. Troy was getting frustrated, could not figure out why they did not fit, he told AL in not to curl his toes but they just would not go on. I said let me see those shoes. I reached inside the shoe and found a wad of tissue in the toe area. Everybody sitting on the porch busted out laughing, including Alvin. The new shoes fit perfect without that paper and Troy never did live that down!
