“ You were the best thing to ever happen to me. I really didn't deserve you, but I'm so glad for the time we had. My only regret is we didn't have more. We were going to share the rest of our lives together, and I couldn't have been more thrilled, more happy, then when you said yes. I was so lucky to have had you in my life. You are still my everything. You are my true love, my soul mate, my best friend. The most BEAUTIFUL woman to ever walk this earth. I love you so much Amanda. My ALL. Amanda Lynn Lightle... my all. And you always will be, the best part of me.

“ So very sorry for your loss to all who knew and loved her. Mandy and I went to school together and played softball for many years. She was always a very sweet person. May God bless her children and family with comfort and strength during this difficult time.

I am so very sorry to hear about the passing of Mandy. You have my deepest sympathy for all the pain and suffering you're going through right now. I know she will be missed by so many people that have been privileged to know her and love her in the short time she was on this earth. May God give you all the comfort, peace, endurance and strength as only He can, in this most grievous times of your lives.

Continued thoughts and prayers for you all.
