“ Amy was such a dear sweet friend to me! I last spoke to her on Monday a week ago. As I held her hand and told her how much I loved her and how sorry I was that this was happening in her life, she totally amazed me. So was honestly so excited about going home to see her Jesus! She told me that she hated to leave Pastor Phil, but that she wanted the Lord to get all the honor and glory from this situation. She said that more than anything she wanted her siblings to be saved and if it took her life to do it she was okay with that. She also told me that she hoped that Faith Missionary Baptist Church would grow and reach more lost through this situation too. My heart aches to think of life without my sweet friend and Pastors Wife. I can still hear her say that she loves me and for me to feel free to call if I needed anything! So thankful that I know that she is pain free and safe in the arms of Jesus! I'll see you soon Ms. Amy! Heaven's sounding sweeter all the time!
