“ Dear Martha and Family, You have my deepest sympathy. Your mom. and the other ladies in the community would get together on Monday Nights and do crafts. I still have one she made me quite a few years ago. We had so much fun gathering at each ones home. She was so radiant all the time. I use to go visit your dad and Terry. They were so much fun. This is a shock. THE WORLD HAS LOST A WONDERFUL PERSON BUT HEAVEN HAS GAINED ONE GREAT SOUL... Your family was our dear friends for many years at Paris Mountain. Love, neighbor and friend, Jeater Forrest

“ So sorry for your loss. I loved working with Teresa. She was a great supervisor. I would not have made it on our trip for the hospital to Arizona for the lab if it were not for her guidance through the Atlanta airport and taking care of me on the flights. She cared for her employees and friends. She will be missed.

“ Another Angel just entered His Gates! Teresa was the most caring, sweet, kind and funny lady I have ever met. Yes, you can be all those things and Fiesty too! She was the best supervisor, mentor, counselor, and friend ever. I am so sorry I didn't keep in closer contact and will truly miss this very special lady. Also sorry I couldn't attend the memorial for her.

Martha and Aaron you will be in my prayers, I can't imagine how you're feeling right now. She spoke of you both daily when we worked together, she was so proud of ya'll. I am honored to have worked with such a wonderful lady.
