“ *A true wonder; Angie was a loving mother and a gentle soul. Many nights, while I cared for Henley, Angie would talk about the mysteries of this world and the next. The escapades of the girls (and Hubby) were duly retold, usually with laughter! Scamps all! She loved her girls with all that she was and was so grateful for her Chaney. Challenge after challenge was met with courage and humor. She always appreciated small things I could teach her from recipes to sewing tips. I can hear her now 'what can you do but laugh?' I love her for the strength she showed when fighting for her Henley or her girls, I love her family and will love her spirit forever. There are no answers or words that will help now. Just know that MOM B and ALL her family will love ALL of YOU forever. And our loving God knows answers to the WHY!! that we ask now. Peace be to you all.*
