special! I will meet you one bright day. Love all of you and my

“ Ann was the strongest women I have ever met. I'm so proud to be able to call her my friend. We grew close so fast, as if we knew each other our whole lives. My life will be better because I knew her. I feel like I adopted her as my grandmother. A women that loved god,family, serving and pigeonforge. Taught me so much and showed me so many things in such a short time.
Thank you Ann, I love you so much and will treasure my time with you. It's been a honor to have gotten to know you. I'll see you again.

“ Kim, I have had many laughs with your Mom She always had a smile for everyone; always the same, every time you saw her. She always greeted you with that sweet, sweet spirit. And her food..... loved, loved, loved her cooking! Always enjoyed the times she catered at the church or at Chandlers.and you might remember, she catered Tammy's wedding.

I know you and Bradley and Jerry and Tammy are going to miss her but just try to remember all the good times...., all the memories... and know that she is well and kicking high with Jesus and we have the hope and joy that we'll see her again!

Love you gal, and I'll be praying for peace !

“ Oh gosh, there are lots of Ann memories. ALL those World Changers and Mission Greenville meals, and she always remembered how I like my eggs. But, perhaps the best memory is our daughter, Brittney, and Ann talking about her catering the wedding reception. Ann started talking about options, and Brittney told her she didn't really care what else was there, as long as Ann had her mac-n-cheese and sweet tea! They also discussed the possibility of Ann making a strawberry wedding cake. In the end, Ann had to tell her the icing just would not work. Wow is Ann going to be missed!
