“ *Margaret Anne and Ben,
I was so saddened to hear about the passing of your beautiful daughter Anna. I have many memories of her and my son playing together. They were the same age. I cannot imagine the pain you must be going through. I hope you know that you are loved by many family members and friends. Don't hesitate to lean on them in the days ahead. It just isn't natural for a child to go before a parent. I will keep you in my thoughts and prayers at this very difficult time.*

“ *To the Mcdaniels;
I am so sorry for your loss. Anna was a dear friend of mine and she had a very big heart.
Her kids are beautiful and she always talked so highly of the two of you. You raised her right and she turned out to have a beautiful soul. Yes she had a problem but we all do to some degree. If you need anything we are all here for you.*

“ *Ben & Margaret Anne:*

I was so sorry to learn of the untimely passing of Anna. I have extremely fond memories of Anna as a little girl at Thanksgiving and Christmas family gatherings. I can't even imagine the pain you must both be going through. I have always believed that every parent's worst nightmare is to have their child pass before them. Please know that your family and friends are praying for you as you go forward. I hope that the passing of time will help ease your pain. God bless you both during this most difficult time.

Love,
