“ Anne Bishop cared for my children at Holly Springs Elementary School as the school nurse. We all loved and adored her. She was indeed an angel even though she kept her wings hidden under her nurse’s jacket ❤️❤️🙏

“ *Anne was such a surprise and delight when your family moved to Pinckneyville. I never knew anyone like her. She was so confident and mature and so herself. We spent so many hours walking through town and hanging out in your basement. I am glad you reached out last fall to let me remember how I loved her.*
