“ My favorite memory of Annie Mae is when we'd go "scooterpoopin" all over the mountains on sunny afternoons one spring. She'd drive up and say, "Come on, gal...let's go scooterpoopin!" and away we'd go. Eventually we'd coast back down the mountain ("to save gas" she told me)...maybe not the safest way to travel but definitely the most fun!

I'll always remember her infectious laugh and love of life. She was a special person.

May thoughts of all the good times sustain the family during this difficult time. My thoughts and prayers are with you all. - Frances Brassell##imported-begin##Frances Brassell##imported-end##
