“ *My every prayer is with you all at this time. The pain of losing a child is a pain that NO parent should ever experience. I know your pain, I lost my son in September last year. The pain doesn't go away but the memories are sacred now. Remember the wonderful and try to forget the loss for he is still with you. Look to the sky and blow him a kiss every night , he'll catch it I promise. Much Love to the Bowser Family, Debbie Collins*

“ *To the Bowser family;
Anthony was an amazing person and friend.
He was always there when I needed
someone to talk to. He always knew how to
make me smile when I was having a bad day.
He was super funny & I'm so glad that he shared some of his poetry
with me. I'm completely at a loss knowing that he passed away. He
was a beautiful person inside and out.*

“ I never had the pleasure of teaching Anthony; however, I do remember how he would always speak to me in his usual friendly and polite way any time we passed in the hall. He was a nice young man. I am so very sorry for this family's loss. We are all better off for having known Anthony. May God bless the family and give them strength . . .

“ Uncle Tom & Aunt Linda send April all our love. We didn't get to know Anthony very well but we know April and if he had any of her qualities, he was a fine young man. The world is a sadder place without him in it. There is no tragedy worse than losing a child. Our hearts ache for you and for the empty place in your heart for your firstborn son. We love you and we are hurting for your pain. May God walk with you & keep you strong.
