Josh and Lynne Rhodes were always happy to have him over for food and companionship because he was a good man and a kind hearted person. “ I was Anthony's caregiver for the past year, and have had made so many memories with him. I'm honored to my core that his family excepted me and my family and I had the honor to care for him. He was the best patient ever, but also the best listener, the best advice giver and of course one of my closest friends. He will always hold a place in my heart, that no other can fill. I love you my sexy red head!!! And I'll miss you every second of everyday.
