“ Kim, I was so sorry to hear of your Mothers death. I know if Mother were able she would have expressed her sorrow as well. Mother thought a great deal of Artie, and remembered her fondly from years of working together at Slater Marietta Elementary. Your Mom taught me in the second grade for a while back at the old school. All my thoughts of love and concern for you and yours during this time.

“ Dear Kim,
I just learned of your mom's death. I am so sorry. I have such fond memories of the stories that my mom would tell of her and Artie as they worked together at Slater-Marietta. And, I too, have fond memories of visits at your house.
Please know that my thoughts are with you.
Love,

“ Dear Kim,
You and your family are in my thoughts and prayers during this difficult time. Haven't seen you in years but hold onto lots of fond memories of you and your mother. Loved when she would come to my house with my grandmother (Jessie) and pretend to be so impressed with my piano playing. She will be missed.

“ Kim -

Two of the best memories that I have of Aunt Artie was when I was able to interview her for a class that I had at North Greenville. The other was when she met Jacob, my oldest son. I will be praying for you and the rest of the family during this difficult time.
