“ To the family of Avanelle, when we was kids, we were close neighbors, and friends of the wright family, we spent lot of time playing , and just being together, I often thought of her, and tried to contact her, but it never went through, I was so sad to hear of her passing , Avanelle, and myself was the only two left out of our families,, she was a dear friend, may the Lord give all the family peace,love, and knowing she is in a better place, and she will be waiting for all of you----- a long time friend--- Gladys Lewis Pace-
