“ If I think back to some of my earliest childhood memories, Barbara was there. I think about fun times as a kid when she and my mom would take the 4 of us girls for swimming and picnics at Table Rock in the summer. I remember when the kids would play "dress-up" while the adults played the game "Password". I reminisce about all the family get together's all of us have shared along the way - those where we needed to eat right after we got there .. and NO LATER ! .. Why ? because it was 12:30 and we were hungry.. at which point she would say: "I heard 'at" ! As an adult I always looked forward to the after-Christmas visits at mom and dad's where we would sit down in the living room and talk and laugh ..and eat as many Christmas goodies as we possibly could. There have been many meals, birthday celebrations, graduations, weddings, baby showers, laughter, Thanksgiving, and fun over the years - but there has also been shared tears of fear and pain, loss and grief. FAMILY is being a part of someone's life through it all - the good times and the bad ! I'm thankful that "Barbara and Wayne" have always been a part of my family and a part of my life ! You'll notice "Barbara and Wayne" are in quotes - after 52 years, it's hard to think of one without the other - they came as a pair ! The day before she passed, the 23rd Psalm was what I prayed for her.. that the Lord was guiding her beside (calm) still waters and comforting her soul - I have no doubt in my mind that He was !! Until I see you again Barbara - I will think of you with love and will remember your beautiful smile and laughter. Wayne, Lori, Amy and family - thoughts, prayers and love for all of you in the days ahead !
