What a sweet lady! She was the first resident to greet me when I moved to Maple Brook - she made me coffee. Bobbie wore her signature pink parka vest and cute slippers most of the time. She adored her family - I'm grateful to have known her . She was well liked by everyone at Maple Brook. I will miss her greatly but comforted to know she is with God. To her family I offer sincere condolences.

“ I am so sorry to hear about Mrs. Bobbi's passing I loved seeing her at mealtimes at Maple Brook. She shared so many life stories about her family and she often spoke about her Great Danes she had. She has left an empty place in my hearts\ here at Maple Brook and I will miss her so very very much.
