“ I never met you but your daughter, Cynthia, was my best friend in school. I know you must have been a great Mother, because she is a great person. She always made you smile and was not one to put up with anything from anyone. She was a very strong girl that has turned into a strong woman.

Cynthia, my thoughts and prayers are with you and your family. I know that no words can comfort your heart but know that I still think of you as my best friend and the best opera singer I have ever known. Love and Hugs, Dusti##imported-begin##Dusti

“ I may have been here only a few months but, This has been very hard on everyone and I've see so much crying from this family, but I have also seen them fly to each others side with-in moments and the immeasurable strength you put into your girls as they hold everyone else together. Out of everything in my life, i wish i could have gotten to know you better. So i could see where all this family togetherness, that my family lacks, came from just one person. I can say, with all my heart, that you will never be forgotten by anyone that you ever met, or by the people you never have.###imported-begin###Charles Andrew Merriett###imported-end##

“ It is going to be so hard with you, mom. You were the one person I could talk to about everything and you not judge me. I don't know who I can go to now and talk about all my problems. You understood me when I told you things that others looked at me like I was crazy. Now who am I going to talk to? I know that you are not in pain anymore and you will not be stressed about things that are going on. I love you and will miss you like crazy.##imported-begin##Sabrina Maciekowich##imported-end##
