“ To the family of Barry Posey, your husband and father was a great man and a kind soul. He was my friend and a true friend to all who met him. He would go out of his way, to help those he worked with and he took pride in all that he did. He loved his family, he would tell me stories of the adventures of your lives together. One in particular was the radio station in Florida. Barry will be missed and humanity has loss a kind, sweet soul, but heaven has gained an Angel. Me and my wife’s prayers are with you for your strength during this time. Earth has no sorrow, that heaven can not heal. Love you all and I am praying for you all.

“ *Barry was such a sweet, kind man. I did not work directly with him but every morning we would see each other in the coffee break room, checking on how fresh the coffee was and it seemed that either he or I would make a fresh pot by 8 am! My thoughts and prayers go out to his family. It was heartbreaking news to learn of his passing. He always had a smile on his face and I will always remember him with fond memories during our daily talks at Cyttec's coffee break room.*

“ Suzanne and Family -

I worked side by side with Barry for several years at Cytec up until 2016. I struggled at first to make any "Work Friends" there, until Barry came into R&D. We instantly hit it off and became fast friends. He was one of the best work partners I ever worked with. Got a lot of good memories working with him. He was always willing to go the extra mile to do things right. I would often accuse him of having a "Magic Parts Room" hidden somewhere, because every-time we were working on something and needed an odd part or tool of some-kind, he would always disappear for a while and come back with exactly what we needed... Everytime!. I would say, how you do that?? and he would just grin.....

I am praying for you and the family, and hope that ya'll can find some peace and comfort in knowing he is truly in a better place now. If there is ever anything I can do for your family, don't hesitate to call. Jimmy Nicholson (864)905-8105.

“ I never had the pleasure of meeting Mr. Posey, but I know from working with Suzanne that he surely was an amazingly thoughtful and industrious man. I also know that he was the love of Suzanne's life, and she often spoke glowingly of how he always strived to make her happy and indulge her in her favorite pastimes and interests. The heartache caused by his untimely passing can surely be eclipsed by the joyful memories of his very well spent life here on earth, coupled with the anticipation of a reunion beyond. My sincere prayers go out to Suzanne, his children, and the entire family.
