“ To: Sue Dona and family

I was very sorry to hear of Bear's passing. Although I never had the pleasure of meeting him face to face I feel I knew him as we had spoken on the phone many times. From our conversations I knew him to be a man of great character that took pride in a job well done and cared greatly for his family and co-workers. There is no doubt that he will be missed by all that knew him.##imported-begin##Chuck Deichmann##imported-end##

“ *Dona,
I was truly heart broken when I received word about Bear. Words cannot begin to measure what a genuine person and friend Bear was. I appreciated all the effort Bear put forth on the CRM Program while working under my watch. He was truly a great guy that was easily liked and easy to work with. He will surly be missed, and although I am no longer with the company, I still considered Bear one of my closest friends. My prayers are certainly with you and the families during this time of loss. Bear will be sorely missed.##imported-begin##Ben Smith##imported-end##*
