“ Wow this was really hard to know that you left so fast. I only knew you for a few years but always loved to see you and your family. I know your mom is so broken and you was her baby girl. I loved talking to you about our grown up sons and how proud you was of him. I know how much you loved your doggie sashie and I will keep her groomed for you. It will be hard for me not to see you but knowing you are in heaven is what it's all about. I will be here on earth with your family and will keep your memories alive and love you my friend Belinda ❤️😭

“ It has been sometime since I have seen Belinda , but I remember when my son was a baby and was having seizures , she and Marion were the first responders and new exactly what to do to help him come to. When my brother's life was taken she was also there to help my family during this difficult time such a beautiful person . To the family you are all in my thoughts and prayers. Love Ursula Cruell.
