“ Larry, I am sorry to hear of your mothers passing. I wondered where she was and how she was. You might not remember me but I lived with Louise Brooks (Lucias Daughter) in Greenville until I married. She was like a mother to me and was until she passed. That is how I knew (Aunt) Bessie. I also remember all she talked about was you and your children, she loved all of you very much. I will keep you and your family in my prayers.
