“ *I loved this special lady! She was my favorite aunt! She was a lady of character, she was humble, (unless you messed with her family) she was a servant. When you went to her home she always said 'honey what can I get you'. She wouldn't let you do anything she waited on you. Always telling me she loved me. Terri & Sheri she asked me to make sure y'all were ok when she passed. She always put others ahead of herself! I love you Aunt Jo and will miss you greatly! Thankful I will see you again one day!*
