“ I cannot express the depth of my feeling of loss for Betty. She had become a close friend, like a sister. She was the most thoughtful person I think I have ever met. Sadly I did not know as much about her as she knew about me, you see, she always turned the conversation to you. She was always more concerned and interested in you. She was generous of spirit and kind of heart. I am very thankful that I could call her friend. To her family and Wally, I send my deepest regrets. Betty was a special person who will be remembered with love.

“ So sorry to hear of Betty's passing. As a first cousin of Betty I must admit that I have done a very poor job of staying in contact with her and now it is too late. She was very diligent in her contacts with us. My wife Dolores and I received Christmas cards and birthday cards from her annually for many years. I know she was a faithful Christian woman and now is receiving her reward in Heaven. Our thoughts and prayers are with Wally and her sister Roberta and family.

“ I will never forget Betty, ever! She was one of the sweetest people I have had the opportunity to meet. I could always expect a Birthday card and a note from her on my birthday. In fact, I looked forward to receiving them. Betty gave unselfishly to every cause she believed in. I didn't get to see her often, but I will miss her greatly. I know Heaven is rejoicing today!

“ *Betty was one of the most caring Christian ladies I have ever know. She has prayed with me and for me more times than I can count. She never forgot a Christmas, Birthday or other occasion. There was always a sweet note from Betty. I will miss her and remember her forever. I know you are singing and praising your Lord now. Fly well my sweet friend!!*
