I only got to know Ms. Betty for the short time she was my Mom's roommate at Hope Health and Rehab of Marietta but she was the sweetest little lady in the world. My family will miss her so much as she always had a kind smile and was so friendly. It was comforting to know she was in the room with my Mom because I felt like she looked out for her. Our prayers go out to all of her family as I know there is a great void in you're lives. May God's grace be so real in you're lives in the days ahead. Rhonda Baker, Lisa Adams and Daryle Hembree
