“ *Betty Sanders and I have been neighbors for 30 plus years. She was the best. Her daughters and my son, David, were playmates. Betty always talked about her family, her Lord and her church. She never failed to help when there was a need. My son, David and my daughter, Kim, send their condolences. David is in Atlanta for training and wants you to know that he cares and Kim also. I will miss her phone calls.*

Love,
