“ I am so sorry for your loss, I know she is a loss to you because she will be a loss to me. I have been her nurse at Dr. Bethi's office she she came to us about 6 yrs. ago. she always had a smile and gave me a hug everytime she came in. I only work pt.-time now due to health problems, but I saw her a couple months ago and she told me they thought she now has bone cancer, but she still gave me that "Beverly" smile, and my hug. She said,"the nurse that replaced you is no comparison to you," She talked about you all and she dealry loved her grandchildren. She even brought in her brother a couple yrs. ago because she was worried about him. She was always bringing in little Miss Kelly. She was a very giving person. No money or material possesions can give you the heart Beverly had. You all will be in my prayers, I will be unable to come to the funeral,I have a 4 hour infusion that morning, but I will go to the cemetery Wed. morning, and leave a flower. I will ask where her grave is so it will be on the correct one. Please remember, We have the hope of seeing Beverly again, and that is my comfort. God loves and cares for us all
just trust in him. John 3:16 I morn with you! If I can do anything for you please call the office and they will get in touch with me.
Love and Prayers,
