“ *Bonnie and Brenda,*

I'm sorry for the loss of your mom. I'll always cherish the times my family got to spend with your mom, dad, the two of you and Boscer (sp?) all those years ago when we were kids and then later in life at Myrtle Beach. Please know that I am thinking of you both and will be praying for you and your families. Like my mom said, she is in heaven now with your dad and my dad rejoicing in the lord! Love to you both.

“ Dear Bonnie and Brenda, Jean and Family;
Marie and I wish to extend our deepest and most sincerest sympathies in the loss of your mother. Whether you guys will ever truly understand, your Mom and I became very good friends over the last ten months of her life on earth. More so, Rusty loved her as well. Very seldom does a dog such as Rusty find themselves getting attached to someone as "special" as you Mom to the point that if he saw her door open while taking our daily walk, he would go up to her doorstep to make sure he got his daily hug and kiss. She will be deeply missed. And the memories we shared over our friendship will last a lifetime within my heart.

May each of you find God's comfort, supernatural strength, peace, and happiness as your thoughts of your Mom bring you all everlasting peace.

In loving Memory of Bill Fowler Burns.

“ It is amazing how God puts people into your life even for a short time, that leave a lasting imprint on the heart. I am blessed to have met Miss Billie and will truly treasure the conversation and the laughter that she and I had. She was a graceful lady and I am thankful to have known her. My thoughts and prayers go out to you Bonnie and to you Brenda and to your families. May God wrap you all in his arms .

“ It is with a joyful heart that I reflect on the many years of being “family”. The times Joe & I and our gang spent with you all in SC, VA ,NC and at the beach will always be special. Though it may not seem right now , those happy times will replace the pain and loss of today. Cousins are “Special “ so glad we were all able to share that bond. Your Mom, your Dad ,Joe and the others are all together in God’s light sharing their stories once again. My prayers are with and for all of you. Be Blessed 🙏

“ Ben and Billie taught our 9th grade Sunday School. She was always so sweet and spunky! I remember her playing a role in one of our Christmas musicals. She sang the solo, “I'll Make My Heart a Bethlehem. “ I think about her singing that song every Christmas.

“ Phil and I are heartbroken, over the passing of this wonderful lady. Always looked forward to spending time with her & Ben during our visits down South. It won't seem the same without her. Our numerous trips together, either down to Charleston, or just downtown Greenville. I will never forget the night at the Italian restaurant in the mini van, when Brenda was in such a hurry, she'll remember this one! Or not that long ago, when we walked the city streets of Greenville, as she walked every step of the way, and told me of her wonderful life there, and about the romance with her Ben. Also, the fun we had in the mountains, when you were able to make the trip up North. But most of all, we will remember, being invited to her home, for Thanksgiving dinner, and how she made us feel like family, with that true Southern Hospitality. We will miss you, Billie, but it was time for you to reunite, with the love of your life. He's been waiting. Sleep in Heavenly Peace. Until we meet again. Love, Judi & Phil, your northern family.

I mourn with you that Billie is no longer on earth for you to see and touch her - I rejoice with you that she is now in heaven with her Savior and the loved ones who have gone before. May you experience God's amazing grace as never before during this time.

To see and know her was to observe joy. She had a wonderful smile and a happy heart. It was always fun to be with her.

We all have precious memories of times we spent together.

Love you all.
