“ *I am so sorry for your loss. I went to school with Jerome and he lived across the street from my parents and he also introduced me to my husband. They were riding motor cycles and Jerome talked him into coming to talk to me. Robert and Jerome always seemed to love each other. Now they are both in heaven, probably checking everything out. No pain or heartaches. We will miss Jerome. He was a mess but you couldn't help but love him. Praying for all of the family, love you all.* ”
