“*In memory of our loving bonus-dad, Joe Greene. We have more memories than we can count with all our family vacations and times at the lake and the farm. You had such an infectious smile and could bring peace to any situation. You were a loving grandfather to our children and they always knew you loved them. Brayden will make you proud at Clemson. Thank you for loving our mother and I am so thankful for you being in her life and ours. You are already missed but we will see you again in our forever home. Love you Papa Joe! Love always, Jennifer Tomlinson*

“Dad,
You are the most genuine & caring individual that I'll ever know!
Your selflessness & peaceable nature is something that surpasses
the understanding of this world. Everyone that was blessed to come
in contact with you saw your kind heart. I'm forever blessed for
having you as my father and the strength, love & guidance that you
passed on to me will continue to persevere forevermore. Through
trials of every kind I will carry you and the strength of God's great
love with me. You were a living example of kindness & the way your
example shines through is the inspiration for me to tell my kids (&
your heirs) everyday to "shine your light!" I know that you'll shine on
& I can't wait to be with you again in Heaven one day!

*"Very truly I tell you, whoever believes in me will do the works I have
been doing, and they will do even greater things than these,
because I am going to the Father. And I will do whatever you ask in
my name, so that the Father may be glorified in the Son. You may
ask me for anything in my name, and I will do it."*
