“ *When I think of my childhood and I think of daddy I don't have one bad memory. He was always kind, loving and treated us all the same. I only have good memories of a great man. I thank the Lord everyday that we had this past year together, even though he was sick and hurting he never complained. Me and the kids got to spend a lot of time with him this past year and I'll forever be thankful. I love you daddy, your gone but as long as me and my kids are alive you will never be forgotten.*
