“ I remember Bob mostly from his visits to my Mamaw (Pearlie)
Garland's house when I was a young girl. He would have to duck
thru her doorways from room to room. I thought "what y'all,
handsome man he is!" He was always smiling, a truly loving person!

“ To my Cousins, Mark, Joe, Rusty and Families,

You have my deepest sympathy for the loss of your Father. I know you will miss him very much and no one else can ever replace him. May God comfort and give you peace in your times of grief and fill your hearts with much love instead of the pain and suffering you feel now.

What I remember about Bob is that he was always smiling no matter how much pain he was in at the time. He would always ask how I was doing too. His positive attitude kept him going I think for as long as he could. This is what I will remember about him most.

May God's blessings continue to be with you always.

“ I’m so sorry to hear of Bob’s death. He was my father’s partner when I was a child, and our two families shared a lot of memories, including vacations at the beach! God bless and keep you Joe, Mark and Rusty, and the rest of the family, through this sad time!

“ Bob was a super personality; perpetual smile, contagious smile and distinctive laugh.

I had a 1958 Triumph TR-3 which needed painting He had a body shop at the station, right before Hart Cut Rd. Gave me a super deal on left over paint. I was in college then so didn’t have much money, only from summer work. We always laughed and talked about that.

And, about the time one Sunday in 1970 when my Silvia and I rode to River Falls and his home and got the keys to a white, 4 door ‘66 Volvo 122-S he had on his car lot. We drove it, bought it for \$600. A great car and Bob always had to look at it when he saw me around Marietta. Said he should have asked for more money and then would laugh that typical, “Bob Garland happy laugh, accompanied with his happy smile.”

Bob was always happy, it seemed.

His happiness and personality will certainly be missed, for he was known fondly, near and wide, as all his family was.

Blessings to the Garland Family, who were a pillar to the “Old Marietta in which I was reared.”
