“ *Frank, I'm so sorry for your loss. I used to talk to your mom almost daily when I was practicing Pharmacy and she was working at the office. She was uniformly nice, courteous and helpful, an all around good person. When we became friends I had a personal connection as well. She will be missed by all. Ben Richardson*

Bobbie was a very special person and my life is richer for having known her. She was my Sunday school teacher, my encourager and most of all my friend. I will miss her, but Heaven is sweeter knowing she's there and waiting on us and seeing all her loved ones and friends who are already there. You guys are in my prayers. Dawn Farthing Oates

“ Bobbie had the best jokes. (A lot of them were a little risque). But Robert and I loved them. Bobbie loved everyone and I never saw her without a smile on her face. She spoke so highly of her kids. Heaven is getting a true angel and I'm sure she will be thrilled to see her love, Wink. Sally & Robert Brewer.
