“ Dean and Family, We are so sorry for your loss. Know that she walks with God now. I know my mother was one the fist people to welcome her to heaven. To know they are with God and have no more pain will help you. I can say I do know how bad it hurts. I still hurt every day. They say it gets better everyday. I hope it will be soon for all of us. I pray that God will help you as he has helped all of us in this sad time. Praying for you all. Lisa wood Maddox and John###imported-begin##John & Lisa Maddox###imported-end##

“ Ricky and Deb, you had one of the sweetest mothers in the world. She was so proud of both of you and her conversation always led to you or her grandchildren. Dean, you had a wife that loved you dearly and it was apparent in everything she did. She was such a great friend and loved by all who knew her. I always thought she was so beautiful, inside and out. She endured many battles here on earth, and was always a fighter. Her fight is finally over and she has won the victory. I know that it will be hard and many lonely times are to come without her, but we are all praying for you. May the Lord comfort you as only HE can. He will NEVER leave you nor forsake you.##imported-begin##Jean Smith##imported-end##
