“ Dear Bobbie Sue and family, I am so sorry and sad to hear about Bobby. Out of all the Callaham cousins, only he, Kathleen and I were the only ones surviving. And now he is gone. I would not take anything for the visit we all had back in the summer. We had not seen each other in years, but there was that family connection feeling and it was so comfortable and comforting just to know that we still had each other. My brother and I were the youngest of all the cousins but we enjoyed being around them and we especially enjoyed the family reunions. Bobby was always so friendly and caring and he will always have a special place in my heart. We will be praying for you and your family as you go through the grieving process. Kathleen and I are planning to visit you in the near future and we will call and set up a day and time before we come. I feel so bad that I did not make it to the funeral, but I am having health issues and I am dealing with limited mobility. Please know that you are in our thoughts and prayers. We will be in touch soon. Love,
Cousin Carolyn
