“ *Luell and I were in the Green Machine together at Berea High School. We had a lot of fun times in those years and hung out a lot during high school. I remember his red mustang. My friend you will be missed so very much and God has a new angel now. God Bless the Coggins family.*

“ *Bobby has been our neighbor and friend since we moved to SC 14 years ago. Always a smile on his face and helpful in anyway he could. We didn't see a lot of Bobby but I always thought he was a great neighbor and friend. Our best wishes and prayers to Janet and Family in these difficult times.*

“ *Luell and I were in the band together. As members, we had wonderful memories. As friends, they became all the more memorable. We loved catching up on facebook and talking about our grandchildren. He loved them so much and was over the moon proud of them. I will miss him so much. We will be keeping you all in our prayers.*

“*Luell was in the band with Mickey. We had so much fun going places with the band and doing all we could to raise money. Luell's Mom, Ms. Dot, and my Mom, Jo Ann worked hard baking and doing whatever needed to be done for The Green Machine Band. They became friends and we all became like family. I am truly sorry for the Coggins' Family. Lost touch over the years and reconnected through FB. It was great sharing those childhood memories. Luell was a sweet and well manner gentlemen. I know he will be greatly missed. Praying the Lord will wrap His precious hands around this family and give each one the strength and comfort they need. I can speak for my family, we loved Luell.*
