“ *I was saddened to learn of Bonnie's passing. We attended and graduated from Parker High School in 1953 but I lost touch with her a few years after that when I married and moved away from Greenville. We spent many happy times together not only at school but at our homes and skating rink, etc. It's great she was blessed with a life with a good marriage and grandchildren. My condolences go out to those who loved and will miss her.*
