“ Mrs. Brenda will surely be missed. She was
one of the most special and sweetest ladies I
have ever known, and she had a way of
making you feel even more special. She had
the best hugs. She loved her family so much
and they loved her, and if ever you had the good fortune to sit at a
meal with them you were surely in for a treat - with good food and
some wonderful storytelling that would make you laugh and cry at
the same time. You all are in our prayers through this difficult time.
We love you!

I think this was taken in 2005. It was someone's birthday (maybe Jamie's) and they were celebrating at the Traveler with some of their church friends.
