“ *I was so sad to have found Brenda's name in the newspaper after so many years of wondering where she was and what was going on in her life. I was her roommate our first year at N. Greenville Jr. College. After school, I got married went to NC and have moved back to this area some ten years ago. Brenda and I had some wonderful times and she was such a good roommate. I know parts of her life were a real struggle soon after she left NG but she was determined to get back her life and I am glad she did. I also have two grandchildren so I grieve for them and you to Larry. I have never met you but know that I am praying for you and your family as you deal with your loss.##imported-begin##Gwen Prichard Smith##imported-end##*
