“ *I am so sad to hear of Brent's passing, my deepest sympathy to his wife, children and extended family. While I was not from Champion, Brent ("Tiny") and I became very close friends in high school. I have such wonderful memories of good times with him: our days at the Red Caboose, cruisin' the strip, and at Ohio University. He had a big heart and was quite the protector which I valued in our friendship. My thoughts and prayers are with you during this difficult time. Rest in peace my friend... “ Though words can not begin to ease your pain, please know that Brent was well loved by so many! I was lucky enough to go to school with Brent back in Champion and to have considered him as one of my favorite people! Brent was a fantastic friend and always had my back. I will always remember him in his white muscle car, our days going to the Red Caboose and him always taking care of us girls. He spent a lot of time with us at my parent's house and my whole family loved him. It is with tears in my eyes that I write this...because I know he had a huge heart! May God bless you all and his children. Please let his children know that he was a great person who had tremendous character and who always took care of his friends. He will be forever missed.###imported-begin###Michelle Ritchey Vernon###imported-end###
