

Brian Doyle Medlin

December 3, 1980 - March 26, 2026

Brian Doyle Medlin, 45, of Travelers Rest, SC, went home to be with the Lord on Thursday, March 26, 2026.

Born in Greenville, SC, on December 3, 1980, he was a son of Brenda Edmonds and the late Eddie Medlin and was one of four children.

Brian was a master mechanic and diesel technician. He was well respected in his field and was frequently sought after to fix things that others could not.

Brian had a wild and rebellious spirit that couldn't be tamed. He found much enjoyment in riding anything with a motor and two wheels. He loved classic cars but none more than his daddy's GTO.

No matter what Brian was doing, you can bet that he was fearless and at full throttle, whether he was off-roading with a group of friends or performing stunts on his bike. Brian was an avid fisherman who always out fished his friends. He was fiercely loyal to those he loved and would do anything for anyone, anytime.

He is survived by his mother, Brenda Edmonds; his sister, Tonya Michelle Strickland; and his brother, Corey Dalton Crump.

In addition to his father, Brian was predeceased by two brothers, Jody Edward Edmonds and Freddie Riley Meldin.

A memorial service will be held at a later date.

Online condolences may be expressed to the family at www.thehowzemortuary.com.

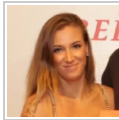

The Howze Mortuary, Travelers Rest, is in charge of arrangements. (864) 834-8051.

“ I don't know who's going to look at this but this is Brian's nephew this has been hurting me for the past week and a half more than anyone could know I cant stop thinking about him or the memories he gave me as a child, I dont know exactly what happened or the events that led up to it but I know he's in a better place with his father and his two brothers I know he's happy and looking down on all of us smiling and I'm happy he's in a better place with Christ and he doesn't have to go through the pain he's been put through in this life anymore, If I could talk to him one last time I would tell him that I love him so much and thank you for all the memories and being the best uncle/father figure for me I'll see you again when god calls me home I love you uncle B ❤️

“ *It's still so hard to believe that you're gone! I'm sure you're with your dad and brothers now. I just imagine you're with them and you're all smiling and catching up and that gives me a little peace. I'm so sorry for the heartache I know you're dealing with right now Brenda! I know how much you loved him and it's gotta be hard for a mother to bury their child. It's something you shouldn't have to go through. Just remember this isn't goodbye, it's until later. You will be together again one day and even though you can't see him, he'll always be with you! Gone but never forgotten! You are so loved and will be so very missed Brian Medlin!*
