“ My heart goes out to the family of this young man taken way too early from his family. I only met Brian, Megan and the family this past Easter, but was impressed by what a loving and joyous family he was part of. I will keep you all in my prayers for God to bring you peace. We know he is well and in a better place now, but that doesn't stop the pain of missing him. God bless you.

“ *So many memories from over the years. Even though we fought like brothers do over the years we always had each others backs whenever times got tough. We had a lot of good time and made it through the bad growing stronger and closer together with each and every journey along the way. From the wild weekend out at Deep Creek when I almost drown and you almost floated away down the river to the time you proved that BUBBA could truly dance, the laughing and partying never ended. Even as you were dressed up as an old lady during the Mississippi Squirrel Revival, we all were rolling in the floor laughing so hard. You will truly be missed by everyone especially me. Keep our blackberry vines full for me when I see you in Heaven and we will get to eat them together again. Happy Birthday brother. I love you.*

“ Brian was such a joy to be around- always happy. I loved to hear him laugh and he just had a way of making everyone else feel good. I was his chorus teacher at Pisgah High School and know that he loved to sing and enjoyed doing choreography in chorus class. The first thing I thought of when I heard Brian had passed away was when we did "If Bubba Can Dance" in the Country Show and of course Brian, "Bubba" was a big hit. I hope you all can take comfort in knowing that he was a wonderful son, husband, father, brother and friend. God bless you all!

“ Brian was always such a joy to be around. He had that kind of personality that made you feel at ease and I loved to hear him laugh. He worked hard in chorus and loved to sing and enjoyed doing choreography. The first thing I thought of when I heard he had passed away was when we did "If Bubba Can Dance" in the country show and of course Brian, being Bubba, was a big hit. I am so sorry for his loss and hope that his family will hold on to the fact that Brian was a wonderful son, husband, father, brother and friend. God bless all of you!

“ I was in band with Bubba in high school for two years. He had the most amazing attitude about life, far before the rest of us had figured things out. He always had a smile and a joyful spirit . I lost touch with him after I graduated, but I am so sorry for his family's loss. I am praying for you!
