“ *Browning was always kind, caring, and never forgot a name. His smiling face behind the counter was always friendly and exuded the confidence needed from your pharmacist. He made quite the difference in many people's lives by the way he lived and worked. Blessed to have known him. Prayers for the family.*

“ *Browning was someone I knew since College . I worked at Revco and he was at Mcleskey Todd and we were always borrowing medicine or transferring prescriptions . Fast forward to him working at Bilo pharmacy and my dad was literally passing away . Somehow the hospice team called in morphine in the pill form instead of liquid. Once I realized what I had it was 4 minutes before closing time on a Sunday. Dad was in pain. I called the pharmacy and Browning said to come on , he'd wait on me . I ran outta the house and that sweet man was waiting. He told me he was praying and he hugged me. My dad passed shortly after , with no pain. This was an amazing man of God loved by so many ! My thoughts and prayers are with the family !!*
